This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

SUBSIDIA

QUIBUS IN DELINEANDIS TABULIS USI SUMUS.

HANNONIS navigatio ut illustraretur (tabb. 1 et 2), oram Lybiæ occidentalem descripsi secundum tabulas nauticas quæ nuperrime Parisiis prodierunt (*Côte occidentale d'Afrique. Au dépôt de la marine*, 1852), simul adhibitis tabulis quæ inscribuntur : *West Coast of Africa surveyed by Arlett, Vidal, Boteler*, etc., 1835 sqq., et : *Carte de l'empire de Maroc par E. Renou, membre de la commission scientifique d'Algérie*, 1844, et quam Henricus Barthius dedit : *Karte vom Nordafrikanischen Gestadeland* (*Berlin*, 1849).

De tabulis quæ ad SCYLACEM pertinent, non est quod moneatur, quum summis lineolis maris interni oram leviter adumbrasse pro ratione peripli Scylacei satis esset.

SINUS ARABICI descriptio (tabb. 6-8) mappis nititur hisce : *Chart of the Red Sea on Mercators projection compiled from a stasimetric survey executed in the years* 1830, 31, 32 *et* 33 *in the honorable company's ship Palinurus by commander R. Moresby and lieut. F. G. Carless* (4 tabb.). — *Carte de la mer Rouge dressée par M. Daussy d'après les travaux de Mss. Moresby et Elwon.* (*Dépôt de la marine*, 1849.) — *Südwestliches Arabien* (*Hidjaz und Jemen*) *zu C. Ritters Erdkunde bearbeitet von H. Kiepert, herausgegeben von C. Ritter. Berlin*, 1852. — *Arabia und das Nilland von H. Berghaus. Gotha*, 1835.

In ISIDORI mansionibus Parthicis Euphratis particulas (tab. 9) dedimus ex opere Chesneyi : *Survey of the rivers Euphrates and Tigris.* Cetera (tab. 10) superstructa sunt tabulis Kiepertianis : *Uebersichts-Karte von Iran oder West-Hochasien* et *Turan oder Türkistan. Berlin*, 1852.

Quod PERIPLUM MARIS ERYTHRÆI attinet, ora Libyæ orientalis (tab. 12) delineata est secundum : *Carte de l'entrée de la mer Rouge dressée par M. Daussy, ingénieur hydrographe en chef, d'après les travaux les plus récents.* (*Au dépôt général de la marine*, 1840), et *Carte du canal de Mozambique*, etc., quam eidem debemus Daussyo. — In describenda ora aromatifera secuti sumus tabulas quibus titulus est : *Trigonometrical survey of the north east coast of Africa by lieut. F. G. Carless, J. N., assisted by Messrs Ball. Whitburn, Selby and Scott, midsh., Indian navy*, 1838. — Arabiæ oram australem (tab. 13) habes secundum Arabiæ tabulam quam dedit Kiepertus, edidit Ritterus (Berlin, 1852); Dachinabadæ oram (tab. 14) secun-

dum Berghausium (*Generalkarte von Vorderindien*, 1836) et Kiepertum *Die Halbinsel Vorderindien mit Ceylon*, 1852).

In NEARCHI navigatione (tab. 15) regionem Indo proximam expressimus ex tabulis Caroli Zimmermann (*Das Stromgebiet des Indus in* 6 *Blættern, Berlin*, 1851); in reliquis oræ partibus adhibuimus : *Central Asia constructed form numerous authentic documents, but principally from the original surveys of lieut. Alex. Burnes, by J. Arrowsmith; — Berghaus, Reduzirte Karte vom Persischen Golf; — Chesney, Survey of the rivers Euphrates and Tigris.*

PONTI EUXINI (tab. 17, 18) ora meridionalis datur sec. Kieperti *Karte von Kleinasien* (*Berlin*, 1844; 6 *Blætter*), orientalis vero ora ducta est ex mappa nautica quam Petropoli russice edidit Manganari (1844).

LIBYÆ oram borealem (tab. 19-23) exaravimus secundum tabulas nauticas quas composuit *Captain W. H. Smyth;* simul adhibuimus quæ præbent Beechey in *Proceedings of the expedition to explore the northern coast of Africa from Tripoly eastwards in* 1821 *et* 1822 (*London*, 1828) et H. Barth in tabula quam junxit operi : *Wanderungen durch die Küsterlænder der Mittelmeers* (*Berlin*, 1849). Situs Carthaginis urbis in tab. 23 repræsentatur sec. *Dureau de la Malle* in *Recherches sur la topographie de Carthage* (*Paris*, 1835).

In tabb. 24 et 25 præter Kieperti Asiam minorem usi sumus Chesneyi tabula : *The Cilician Taurus and Northern Syria* et Lyciæ tabula, quam ediderunt F. A. B. Spratt et E. Forbes (in *Travels in Lycia, Milyas and the Cibyratis, London*, 1847). Eorundem ex opere petivimus quæ de ruinis Antiphelli et Tenedi interposuimus.

CYPRUM insulam (tab. 26) ut accuratius describere possemus, insigni debetur humanitati viri doctissimi, MAS-LATRIE, qui quam construxit amplissimam Cypri tabulam (*Carte de Chypre pour servir à l'histoire des Lusignan*) benigne nobiscum communicavit.

CRETAM insulam delineavimus sec. *Carte générale de la Turquie d'Europe en* 15 *feuilles par Lapie*, adhibitis tabulis Kieperti (*Atlas von Hellas und den hellen. Colonien*) et Paschleyi (*Travels in Crete. London*, 1837).

Superest ut grato animo profiteamur operam quam geographis nostris præstiterunt egregiam JACOBSIUS, vir doctus idemque artifex eximius, qui cupri lamellis tabulas insculpsit, et qui nominum formas exararunt HACQUIUS, CARREUS, RAMBOZIUS, DALMONTIUS.

Parisiis, mense Julii MDCCLIV. CAROLUS MULLERUS.

INDEX TABULARUM.

HANNO CARTHAGINIENSIS.

I et II. Libyæ ora occidentalis.

SCYLAX CARYANDENSIS.

III, IV, V. Ora maris interni.

AGATHARCHIDES CNIDIUS.

VI. Sinus Arabici pars borealis.

VII. Sinus Arabici pars media.

VIII. Sinus Arabici pars meridionalis.

ISIDORUS CHARACENUS.

IX. Mansiones Parthicæ a Zeugmate ad Seleuciam.

X. Mansiones Parthicæ a Seleucia ad Alexandropolim.

ANONYMUS AUCTOR.

XI. Periplus maris Erythræi.

XII. Libyæ ora orientalis.

XIII. Arabiæ ora australis.

XIV. Dachinabadæ ora maritima.

ARRIANUS NICOMEDENSIS.

XV.. Nearchi navigatio ab Indo ad Euphratem.

XVI. Ponti Euxini periplus.

XVII et XVIII. Ponti Euxini ora australis et orientalis.

ANONYMUS STADIASMI AUCTOR.

XIX. Libyæ ora ab Alexandria ad Naustathmum.

XX. Libyæ ora a Naustathmo ad Cephalas.

XXI. Libyæ ora a Cephalis ad Macarœam.

XXII. Libyæ ora a Macarœa ad Tacapen.

XXIII. Libyæ ora a Tacape ad Uticam.

XXIV. Asiæ ora a Carno ad Cibyram

XXV. Asiæ ora a Cibyra ad Miletum.

XXVI. Cyprus insula.

XXVII. Creta insula.

MARCIANUS HERACLEENSIS.

XXVIII. Periplus oceani orientalis.

XXIX. Periplus oceani occidentalis
